

Discontinued of production of MS-N series accessories

1. Type

MS-N series accessories

2. Reason for discontinued of production

- No applicable products.
- Completion of substitute products.

3. Discontinued of production

Type name	Production discontinued models	Successor model for S-N series	Applicable	Orders stop	Production stop
Terminal covers	UN-CW205	-	-	Aug 31th. 2018	Sep 30th. 2018

Title : Discontinued of production of MS-N series accessories	

Discontinued of production of MS-T/N series coil designation AC12V

1. Production discontinued models

Product name: MS-T/N series Magnetic starters

Coil designation	Rated voltage
AC12V	12V 50/60Hz

Model:

Model	Type name
Magnetic starters	MS-(2X)T10-T100**, MS-(2X)N125-N400** MSO-(2X)T10-T100**, MSO-(2X)N125-N400** MSOL-(2X)T21-T100**, MSOL-(2X)N125-N400**
Magnetic contactors	S-(2X)T10-T100**, S-(2X)N38/N48/N125-N800** SL-(2X)T21-T100**, SL-(2X)N125-N800** DU-N30-N260** B-T21**, B-N65/N100**
Contactor relays	SR-T5/T9**, SR-K100** SRL-T5**, SRL-K100**
Pneumatic time delay relays	SRT-NN/NF**

Note 1: "*" represents some suffixes (BC, FS, KP, QM, SA, SR etc.)

Note 2: Includes tripping coil of type SL-T/N and MSOL-T/N.

2. Reason

Demand decrease.

3. Schedule for production discontinuation

The end of May, 2018.
